

FACTS TO KNOW ABOUT

# NIFAD Members

NIFAD distributor members cover areas of the United States and parts of Canada.

Membership averages 28 independent fire alarm distributor companies, several with 2-4 NIFAD members per company.

We choose to keep the group a size that allows for effective sharing and collaboration during meetings.

Our members represent companies of all sizes that handle a large variety of projects within the alarm and detection industry.

NIFAD Member Companies produced more than

**\$390  
Million**

in total Fire Alarm revenue\*
